## Exploring Early Maryland:

### A Comparison to Early Massachusetts

Sunday, November 23, 2014, L'Hirondelle Club, MD

The Guest speaker for our annual Compact Day Dinner will be Dr. Henry M. Miller, who serves as Heritage Scholar at the Maryland State Museum of Historic St. Mary's City (HSMC).

Dr. Miller has worked in the Chesapeake region since 1972. He has a B.A. from The University of Arkansas and M.A. and Ph.D. in Anthropology from Michigan State University. In 2011 and 2012, he was Visiting Scholar at the Centre for Medieval and Renaissance Studies at Oxford University. He served as Laboratory Director at HSMC from 1977-1987, and has been its Director of Research since 1987. In 1997, he served as President of the international Society for Historical Archaeology.

Brick Chapel, St. Mary's City
circa 1660s.

Dr. Miller's research interests include colonial sites archaeology, architecture, town planning, landscape studies, foodways, material culture and symbolism. He also directed and worked on the analysis, design and reconstruction of six 17th-century buildings, including the Brick Chapel, the first major brick building constructed in Maryland. At the time, no free-standing Catholic Church could be built anywhere in the English-speaking world, symbolic of Maryland's liberty of conscience and freedom to exercise religion policy. Dr. Miller also worked on the St. John's Archaeological Museum in St. Mary's City.

Our Guest Speaker, Dr. Henry M. Miller

Dr. Miller assisted with the exhibit, *Written in Bone: Forensic Files from the 17th-Century Chesapeake* at the Smithsonian Museum of Natural History (2009-2014). His most recent publication is "Tobacco, Manors, and Furs: The Archaeology and History of Lord Baltimore's Colony of Maryland" in *A Beautiful and Fruitful Place: Selected Rensselaerswijck Papers*, Volume 3. We look forward to Dr. Miller's historical presentation. *See page 8. for details.*

# GOVERNOR'S MESSAGE

Dear Mayflower Cousins:

This will be my last message as your Governor. It is hard to believe my second consecutive three-year term is coming to a close. I also had the pleasure of serving as your Governor from 1999–2002.

Over the past several years, I have had the opportunity to work with a wonderful group of volunteers who dearly love the Society and their Pilgrim heritage, many of whom have become close friends. At our Compact Day Dinner on November 23rd, a new Board of Assistants will be elected and installed, and I ask you to support them as their term commences. According to the Nominating Committee, some positions have not yet been filled. Will you volunteer?

Our Spring meeting on Gibson Island was a success in every way. The attendance was good as was the food; it was a beautiful day on the Chesapeake Bay; and "Amelia Earhart," portrayed by award-winning actress, Mary Ann Jung, "flew in" and gave us all an educational and entertaining story of her life.

The 40th General Congress, which was recently held in Plymouth, generated much discussion and healthy debate. It was a productive Congress and you can read more about it from Assistant General Susan Morrison's report included in this *Log*.

Our guest speaker for the Compact Day Dinner is Dr. Henry M. Miller, who serves as the Maryland Heritage Scholar at the Maryland State Museum at Historic St. Mary's City. His topic will be "Exploring Early Maryland: A Comparison to Early Massachusetts". Dr. Milller's lecture should be a learning experience for all of us.

I look forward to seeing and speaking with you at our Compact Day Dinner. It has truly been and honor and privilege to serve as your Governor. Please remember, we are here "To perpetuate to a remote posterity the memory of our Pilgrim ancestors".

Yours in preserving our Mayflower heritage,

Benjamin G. Proctor, Jr.
Governor, Maryland Society

## 20th CHARTER MEMBER

### George Murray Seal, Jr.

**ELECTED FEBRUARY 15, 1938**
by Carolyn W. Fowler, Historian

George Murray Seal, Jr. has the distinction of being our only known living Charter Member. Through his William Bradford line, George joined the Society in 1938. When he moved to Montgomery County, George transferred his membership to the D.C. Society. "I returned to Baltimore and transferred back to the Maryland Society, just in time to be recognized at the 75th anniversary meeting on May 5, 2013," he states.

In the early 1930s, George recalls his Mother discovering a link to John Billington. "She was horrified at Billington's fate and refused to join," he says. In honor of his Mother's memory, George decided to pursue a supplemental membership to the Billington line in 2013.

When the Billington line was approved in Plymouth this past Summer, GSMD Historian, Paul Bumpus, determined that George had set a record for the most time elapsed between an original membership and the first supplemental—75 years!

With the approval of the Billington line, George now finds himself in an awkward position: "As a member with both the Bradford and Billington lines, I have one ancestor who arranged for the hanging of the other!" We welcome George back to our Society.

## 40th

*The Pilgrim Progress travelling through Plymouth*

The 40th General Congress of the General Society of Mayflower Descendants (GSMD) commenced in Plymouth, Massachusetts on Sunday, September 7, 2014, with the traditional March to Cole's Hill and on to Town Square followed by the Opening Ceremonies at the Church of the Pilgrimage. A reception for delegates and guests was held in the beautiful garden of the Mayflower Society House, which was open for all to visit and see the improvements that are still in progress.

The Meeting was called to order on September 7th by Governor General Bruce C. MacGunnigle. The Meeting began with a Roll Call and the Seating of Officers. Members then approved actions taken by the Executive Committee. Monday and Tuesday morning were devoted to reports of the Committee Chairmen and the Proposed Amendments and changes to the GSMD Constitution and Bylaws. These are discussed in the March-June 2014 issue of *The Mayflower*

Maryland Deputy Governor Jim Battles and Governor Ben Proctor, Jr. meet with Governor General-Elect, Lea S. Filson, during the Mayflower House Reception following the opening ceremonies.

# Treasurer's Corner

We would like to acknowledge the members and their families who gave unsolicited contributions totaling $983 for 2014: Benjamin Proctor Jr. and Steve Hartong.

- **Membership Dues:** To date, 208 member and 33 junior annual membership dues have been collected. Additionally, one annual member elected to become a lifetime member.
- **Revenue:** The Society received $8,555 in annual and lifetime membership dues. Currently, 11 annual members have yet to pay their dues. Late notices were sent in May. Other revenue include application fees of $4,470 made through the Maryland Historian, Carolyn Fowler, for new memberships and supplemental lines to the General Society; the Spring Dinner; and the sale of merchandise. Year-to-date revenue total $17,058.
- **Expenditures:** Expenditures include the annual assessment of $6,390 made to the General Society. Other expenses of note include the Spring Dinner, a $100 donation to the First Parish of Plymouth, the Chilton's Challenge DVD, scholarships, and the newsletter. Year-to-date expenses total $16,417, with net income of $641.
- **Assets & Liabilities:** Our assets include a checking account and an investment account. The balance in our checking account is $2,326.18 and investment account is $59,893. Future costs include insurance, distribution of the Chilton's Challenge DVD, newsletter printing and mailing costs, and other operating expenses. It is anticipated that funds will need to be transferred from the investment account to cover these expenses.

I have enjoyed working with our Society and would like to thank the members for allowing me to serve as Treasurer during the past three years.

## DUES INCREASE

At the 40th Congress, an assessment increase of $4.00 per member per year was approved, increasing the dues we pay to the Society, from $11.00 to $15.00 starting in 2016. They also proposed $1.00 increase per member per year (until it reaches $20.00), which did not pass, but may in the future.

By unanimous vote of the members who attended the Spring Dinner meeting, the Maryland Society voted to increase its annual dues, from $35.00 to $40.00 starting in 2015. This is the first increase in nine years, which should delay any future increases for some time. Along with this increase, the Life Membership dues will be raised from $700.00 to $800.00, which is the equivalent of 20 times the annual dues. If you are thinking about becoming a Lifetime Member, this might be a good time to do so.

# SPRING DINNER:

## "Amelia Earhart"

On Sunday, April 27, 2014, members and guests met at the Gibson Island Club in Gibson Island, Maryland for our annual Spring Dinner. Governor Ben Proctor introduced our Guest Speaker, Mary Ann Jung, who portrayed, in period costume and first-person character, "Amelia Earhart"—the aviator and author whose courageous exploits and spirited personality made her an international celebrity in the early twentieth century.

Ms. Jung gave us an informative, lively, and entertaining presentation. As we learned, Amelia Earhart was a photographer, truck driver, avid student and teacher, volunteer nurse, social worker, and even a clothes designer! Whatever she did, Amelia did with passion, commitment and a sense of humor. Ms. Jung energetically portrayed Amelia through her final words before her disappearance in 1937.

### Spring Dinner 2014

Actress Mary Ann Jung gave us a lively portrayal of "Amelia Earhart," the first woman to fly across the Atlantic.

"Amelia Earhart" developed a friendship with Eleanor Roosevelt, who wanted to learn how to fly. Members from the audience portrayed the Roosevelts.

Governor Proctor and Deputy Governor Jim Battles present the 2014 Scholarship award to Brianna Mallory, daughter of Corresponding Secretary and member, Tim Mallory, and his wife, Gina.

Fritz Briggs and "Amelia" waive good-bye.

# Chilton's Challenge Update

by James Battles, Deputy Governor

*Below is an update from our Deputy Governor, Jim Battles, regarding the Chilton's Challenge DVD. For those of you who are not familiar,* ***Chilton's Challenge*** *is the story of a father and daughter and their pilgrimage to Plimouth Plantation. The play was written by our own Jim Battles who plays the role of his ancestor, James Chilton, the eldest passenger on the Mayflower. Act I features James Chilton recounting his story of how he and his family came to be on the Mayflower. In Act II, his daughter, Mary Chilton—who was the first person to step onto Plymouth Rock—recollects the early days in Plimoth Plantation. Copies of the DVD may be ordered using the order form.*

### Plymouth Triennial Congress

**September 7-9, 2014**

During the 40th Congress, we distributed copies of the educational edition of Chilton's Challenge to all State societies that were present and will mail copies to those few states who were not present. We also provided copies to the Executive Director and will provide a copy to the Educational Committee when a new Chairman is named. In addition, 10 copies of the DVD were sold to individual members.

### Maryland Social Studies Directors Resource Meeting

**September 12, 2014**

A presentation was given to all of the Maryland School District Social Studies Specialists. We also provided copies of the educational edition of the *Chilton's Challenge* DVD to all districts. The Maryland State Department of Education will be posting *Chilton's Challenge* on their website so that all teachers and/or schools can download it. Three districts have requested copies for their schools. We produced 100 copies of the DVD and 100 hundred copies of the educational edition. We will need to make an additional 125 copies to meet future orders.
