The 400th Anniversary of the Mayflower Voyage

The Guest Speaker for our Compact Day Dinner is Dr. George P. Garmany, Jr., Governor of the General Society of Mayflower Descendants. He will discuss the upcoming events surrounding the 400-year anniversary of the *Mayflower* voyage and founding of Plymouth Colony.

George has been a member of the Colorado Society since 1994, serving in multiple capacities including two terms as Governor. He also held several offices in the General Society, including four terms as Surgeon General and one term as Assistant Governor General, with numerous extra appointments during that time. Most recently, George served three years chairing the "2020 Committee," which engaged in planning activities for the commemoration of the 400th anniversary of the *Mayflower* voyage.

George practiced Neurology in Boulder, Colorado, for 38 years. He earned B.A. and MD degrees at the University of Virginia, and moved to Colorado to complete his residency. He is a Fellow of the American Academy of Neurology and his continued commitment to teaching resulted in an appointment as Clinical Professor of Neurology at the University of Colorado. He is a former President of the United Medical Staff of Boulder and the Colorado Society of Clinical Neurologists. In recognition of his long-term work with the National Multiple Sclerosis Society, George received the prestigious Harold E. Williamson Award. The award, established by the COPIC Foundation, honors a Colorado physician who has volunteered extensive services in his or her community.

Governor General
Dr. George P. Garmany, Jr.

George also belongs to the Society of the Cincinnati in The State of Connecticut, the Boulder Rotary Club, and the Boys Scouts. His involvement with the Boy Scouts has enabled George and his family to enjoy the wonderful outdoors in Colorado and nearby states. George's wife, Beverly, is a member of the Arapahoe Chapter of the DAR in Boulder. They both share a deep love of American history and are looking forward to working with the Mayflower Society at this special time in preparation for the 400th anniversary of the historic voyage. We look forward to George's informative presentation. *See page 12 for details.*

Exciting events are planned for the upcoming 2020 celebration, see www.theMayflowerSociety.org.

GOVERNOR'S MESSAGE

Dear Mayflower Society Members:

Greetings, from the deck of the Mayflower, with a clear view and sails to the wind! The Guest Speaker for our Compact Dinner will be Governor General George Garmany, who will speak of the many exciting events planned for the GSMD Triennial Congress in 2020. You may be inspired to plan a trip to Boston, Plymouth, and Provincetown in 2020.

I had the pleasure of attending the General Board of Assistants' meeting in St. Charles, IL, and was elected as Assistant General, along with Former Governor James B. Battles, who was elected as Deputy Governor General. The Maryland Society nominated Jim for his excellent initiatives: first Mayflower Color Guard; film production and book, *Chilton's Challenge*; Juniors summer field trips; Sultana Downrigging Weekend, and Historic St. Mary's City. Jim led programs on Pilgrim culture, clothing, and cooking that will greatly assist us as we prepare for 2020.

In January, an appeal letter was mailed to members requesting contributions to help defray our $5,000 pledge to assist the General Society in their goal of raising $3 million for the preservation of the First Church Meetinghouse in Plymouth. The General Society is requesting that all societies provide financial help. This fundraising program is important not only for the preservation of the Church and its posterity, but also in preparation of the 2020 Congress. Members can submit their charitable contributions through our website.

Included is an article on the *Kalmar Nyckel* Pirate's Cruise, which took place on September 30th. A group tour was formed with the Delaware, Pennsylvania, and Maryland societies as well as the Swedish Colonial and New England Women's societies. We also need your support for another festive event next year, on Sunday, November 3, 2019, at the Thanksgiving Parade, in Pasadena, MD, featuring our Mayflower Guard.

In closing, I am reminded of the Atlantic voyages of Christopher Columbus on the *Niña*, *Pinta,* and flagship, *Santa Maria,* in 1492. In 1992, replicas of these historic ships were on display in Baltimore for the 500-year celebration. I greatly enjoyed boarding these ships with my parents. Boarding the *Mayflower* in 2020 will be immensely memorable! Please plan to attend the Compact Day Dinner and enjoy a traditional Thanksgiving meal. As we journey towards the 400th Anniversary celebration, let us be mindful of our ancestors' fortitude and grace to flourish and prosper in a brave New World.

Yours in preserving our Mayflower heritage,

Timothy D. Mallory
Governor, Maryland Mayflower Society

WILL THIS BE YOUR LICENSE PLATE?

The Mayflower license plate is not only visibly appealing, it serves to identify a Mayflower descendant. I purchased a license plate several years ago and am amazed by the number of people who stop and ask about it. Some are even interested in joining our Society, which opens up an opportunity to explain the process.

For a limited time only, the following unissued tag numbers are available to our Members:

- SMD0041
- SMD0059
- SMD0060
- SMD0063
- SMD0073
- SMD0080
- SMD0090-93
- SMD0095-100

This is a great way to memorialize an event, such as an anniversary or birth year. Interested? Call or e-mail me at: 410-353-3733 or cj.corneliussen@mailfence.com.

Let me know which tag number you are interested in and we'll get the ball rolling. You won't regret it!

2018 General Society
Board of Assistants' Meeting

by James B. Battles, DGG and Former Governor

The General Society of Mayflower Descendants held its annual Board of Assistants' Meeting (BOA) on September 5-9, 2018, at the Pheasant Run Resort in St. Charles, Illinois. Maryland's Deputy Governor General (DGG), Jim Battles, and Assistant General (AG), Tim Mallory, represented our Society.

Friday, September 7

On Friday, a Governors' General Forum was held, which included current and past governors. The Forum provided an opportunity for each Society to openly discuss a variety of topics including life memberships and recruitment of new members, the upcoming 2020 commemorative celebration, fundraising, and member engagement. The DGGs and AGs from each society exchanged suggestions and practices, bragged about accomplishments, and shared new ideas. The Illinois Society hosted wonderful themed events and a fun welcome reception with entertainment by the Chicago Bound Band.

Saturday, September 8

The meeting officially opened on Saturday, September 8th, and was particularly memorable because the newly-formed Mayflower Guard gave its premiere performance in the color ceremony. Eight members participated in colorful armor with arms. The Mayflower Guard was created just one year ago. Then Governor General, Lea

Fancy Hat Day: The Illinois Society hosted a wonderful luncheon where descendants donned their best hats. Maryland's AG and Governor, Tim Mallory, wore one of the meeting's finest fancy hat.

St. Charles, IL

September 5-9th, 2018

The Mayflower Guard opened the meetings in the Color ceremony, with the assistance of our Governor Tim Mallory.

Filson, approved Jim Battles' idea of creating a color guard for the Society like the Pilgrims did when they arrived in the New World. She appointed Jim as its first Commander.

The first half of the day included reports from society officers and the rest of the day was spent on committee reports. One issue that was raised related to an amendment to the constitution and bylaws and being able to set fees and dues on an annual basis as required. The actual amendment will be presented for a vote at the next Congress in 2020. The status of the national Meetinghouse fundraising project was also discussed, including an opportunity for a major grant of over $2.6 million from the city of Plymouth. If awarded, this grant would enable us to achieve the $3 million goal that was set to accept the Meetinghouse. A tentative schedule of events for the 2020 commemoration was published in the Fall issue of the *Mayflower Quarterly*. A memorial statue of Governor Bradford is well underway and will be completed in time for the celebration.

Another highlight was the presentation of awards. A Certificate of Commendation and Appreciation was presented to the Immediate Past Governor and DGG, Jim Battles. The award reads:

> *"James B. Battles is recognized for exceptional service to the Maryland Society of Mayflower Descendants as DGG, AG, and Deputy Governor. He has made outstanding contributions to the General Society's mission, not the least of which was the forming of the Mayflower Guard."*

The Governor General's Meritorious Service Award was awarded to the entire Mayflower Guard.

Captain General Jeff Stark presented a motion, which passed overwhelmingly, for the GSMD to launch a program for 2020 called, "Dress Like a Pilgrim." This initiative, which is based on our Maryland Society's program, encourages everyone to acquire Pilgrim-appropriate attire and begin dressing like a Pilgrim. The Mayflower Guard prepared an extensive purchasing guide for Pilgrim-appropriate attire, which will be posted on the GSMD website. Each of the partner societies were also encouraged to post the guide on their own websites.

The Mayflower Guard closed the meeting by retreating the colors. The banquet on Saturday evening featured the Spoon River Anthology, which portrayed an interesting view of Illinois life in the 19th and early 20th century.

Sunday, September 9

The busy weekend concluded with a delightful architectural cruise and brunch on the Chicago River. The next GSMD meeting will be held in Denver, Colorado in September, 2019.

Governor General George Garmany presented a Certificate of Commendation and Appreciation to Former Governor and DGG, Jim Battles; shown with Governor Tim Mallory.

It's a **Parade!**

The Maryland Society plans to participate in the 2019 Thanksgiving Parade to be held in Pasadena, MD, on November 3, 2019. Members are encouraged to "dress like a Pilgrim" for this event and others as we get closer to celebrating the 400th anniversary in 2020 of the Mayflower crossing. In order to prevent the further propagation of incorrect images of our Pilgrim ancestors, the following should be considered when selecting a period costume: "No black, no buckles, and no blunderbusses." Please contact Governor Mallory if you are interested in participating.

ROSE PARADE
January 1, 2020

Plans are also underway to design a Mayflower Society float in the 131st Tournament of Roses Parade to be held on Wednesday, January 1, 2020 in Pasadena, California. Conditional approval has been granted to the General Society as a float participant in the Parade. An official invitation is expected after the 2020 Rose Parade theme has been announced in late January 2019. They will need an army of "petal pushers" to help between Christmas and New Year's Eve in 2019. Watch for more information as it becomes available. Contact the California Society if interested in helping, e-mail: camayflower2020@gmail.com. Known as "America's New Year Celebration," the Rose Parade was started in 1890 and features spectacular floral floats completely covered with natural materials.

Spring Dinner

"The Pilgrim's Contribution to American Democracy

On Sunday, April 29, our Society met at the Chartwell Golf and Country Club in Severna Park. Our Guest Speaker, Delaware Society's Deputy Governor General, Noel H. Kuhrt, Jr., spoke about Pilgrim history and their significant contribution to our country. He described the passengers on the *Mayflower*, the landing in Plymouth, and the importance of help received from the Indians. Our rich heritage of perseverance, industriousness, tolerance, belief in God, and respect for law are part of the Pilgrim legacy, along with the ideal that all men are created equal. Noel's wife, Karen, displayed her painting, "Four Teenage Women of the Mayflower," and prints were available for sale. Everyone enjoyed the venue at Chartwell and we thank our hosts, Todd and Heather Mohr.

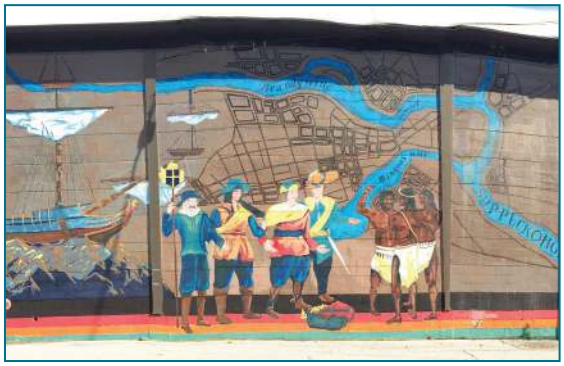
Christina River Cruise

Sailing in the *Kalmar Nyckel*

by Rob Burgio, Deputy Governor



Mural depicting the *Kalmar Nyckel*, a Dutch-built armed merchant ship, that carried the first Swedish settlers to the Delaware Valley (now Wilmington) in 1638.

On Sunday, September 30th, a group of 37, which included members from the Maryland, Delaware, and Pennsylvania Mayflower societies, the New England Women's Society, and the Swedish Colonial Society, boarded the *Kalmar Nyckel* for a lovely cruise on the Christina River in Delaware. We were fortunate to have a beautiful, sunny day to enjoy the Pirate-themed cruise.

Our one and a half hour trip took us under several draw bridges and along the Riverfront Wilmington, a 1.3-mile redeveloped waterfront that includes restaurants, sports, arts, and cultural attractions. We were under sail for half of the trip. Two in our group donned their period-appropriate attire and a number of children dressed as pirates, as did the crew. Our time with fellow history enthusiasts was a great opportunity for our Maryland Mayflower community to enjoy each other's company, meet others, and deepen our appreciation for the forbearers' fortitude to cross the ocean on ships such as the *Mayflower* and *Kalmar Nyckel*.

The current *Kalmar Nyckel* is a replica of Governor Peter Minuit's flagship for the 1638 expedition that founded the colony of New Sweden, establishing the first permanent European settlement in the Delaware Valley, Fort Christina.

Maryland Board of Assistants' Meeting

Hancock's Resolution, Pasadena, MD

October 6, 2018

The Fall Maryland Board of Assistants (BOA) meeting was held on Saturday, October 6, 2018 at the historic Hancock's Resolution in Severna Park, MD. Governor Mallory called the meeting to: (1) report on the recent GSMD General Board of Assistants (GBOA) held on September 7-8 in St. Charles, Illinois, (2) prepare for the upcoming Compact Day Dinner, (3) discuss officer and committee reports, (4) discuss Life Memberships, and (5) enjoy the afternoon with a social picnic and tour.

From left to right: President of Hancock's Resolution, James Morrison; Docent Dianne Feeney; License Plate Commissioner, CJ Corneilussen; Treasurer, Marilyn VanWagner; Captain, Victor Metta; Assistant Historian, Christopher Locke; Historian, Dwight Mason; Deputy Governor, Robert Burgio; Member-at-Large, Mary Ann Bienko; Elder Benjamin G. Proctor, Jr.; Assistant Treasurer, Louesa Canning; Docent and previous Governor, Susan Paige Morrison; and Governor Timothy Mallory.

Board Member and previous Governor, Susan Paige Morrison, provided an excellent tour of the farm (lavender fields, beekeeping, and a historic family cemetery).

After a lengthy discussion, the BOA reached a consensus to not eliminate Life Memberships. They also discussed participating in next year's Thanksgiving Parade, which will be held in Pasadena, Maryland, close to Hancock's Resolution. The meeting was a success and enjoyable too.

A Visit to Mystic

by JoAnne Burgio and Debbie Burgio

This past summer my sister, Lois Schlegel, Secretary of the Delaware Society, and I, JoAnne Burgio, visited Plymouth, Massachusetts, and had the honor of touring the Mayflower Society House. While there, we discovered that the *Mayflower II* was in dry dock in Mystic, Connecticut. We then drove to Mystic to see for ourselves just what was entailed in this massive reconstruction/restoration process. It is a mammoth undertaking! The budget for reconstruction is $10 million. The original ship was given to America as a gift from the British in 1957 and it was literally rotting away.

In December 2015, the ship arrived at the Henry B. duPont Preservation Shipyard in Mystic, Connecticut, for restoration. In November of this year, the "renewed" *Mayflower II* will be returning to Plymouth in time for the big celebration in 2020! Below are some of the pictures we took of this massive project.

Hull Construction at Upham Shipyard in Brixham, England, 1956. Although not the original *Mayflower,* the 106' long *Mayflower II*, built in Devon, England in 1955-56, is a near replica.

National Pilgrim Memorial Meetinghouse

GSMD's Legacy Project

The first Meetinghouse where our Pilgrim families worshiped was built in the middle of a wilderness, in 1621, the year after the *Mayflower* landed. The General Society is working to restore this historic site. Please choose how you want to give:

- **Restoration:** Your donation will be placed in the Charitable Trust, where funds will be used to restore this memorial.
- **Preservation:** Your donation will be placed into the GSMD Meetinghouse endowment fund that will use only a percentage of the funds to maintain and operate the Meetinghouse in coming years.

Restoring the Meetinghouse is the best possible legacy our Society could leave in 2020, the 400th anniversary. Donations of $5,000 or more will be listed on a plaque in the Meetinghouse.

Together, we are going to make this happen!
